Meaningful and Compliant Service Activities

Member activities must be within the scope of the approved program grant and cannot be contrary to the law.

The grantee must develop member positions that provide for meaningful service activities and performance criteria that are appropriate to the skill level of members.

The grantee is responsible for ensuring that the positions do not include or put the AmeriCorps member in a situation in which the member is at risk for:

- engaging in any prohibited activity,
- activity that would violate the non-duplication and non-displacement requirements, or
- prohibited fundraising activity

The grantee must accurately and completely describe the activities to be performed by each member in a position description.

Other Considerations for AmeriCorps Member Service

Member Training

No more than 20 percent of the aggregate of all AmeriCorps member service hours in your program, as reflected in the member enrollments in the National Service Trust, may be spent in education and training activities. Capacity-building activities and direct service activities do not count towards the 20 percent cap on education and training activities.

Federal and State Assistance

It is prohibited to use service under a grant “for the sole purpose of referring individuals to Federal assistance programs or State assistance programs funded in part by the Federal Government.”

[42 USC § 12634(d)]
**Nondisplacement/Nonduplication**

(e) Nonduplication.

Corporation assistance may not be used to duplicate an activity that is already available in the locality of a program. And, unless the requirements of paragraph (f) of this section are met, Corporation assistance will not be provided to a private nonprofit entity to conduct activities that are the same or substantially equivalent to activities provided by a State or local government agency in which such entity resides.

(f) Nondisplacement.

(1) An employer may not displace an employee or position, including partial displacement such as reduction in hours, wages, or employment benefits, as a result of the use by such employer of a participant in a program receiving Corporation assistance.

(2) An organization may not displace a volunteer by using a participant in a program receiving Corporation assistance.

(3) A service opportunity will not be created under this chapter that will infringe in any manner on the promotional opportunity of an employed individual.

(4) A participant in a program receiving Corporation assistance may not perform any services or duties or engage in activities that would otherwise be performed by an employee as part of the assigned duties of such employee.

(5) A participant in any program receiving assistance under this chapter may not perform any services or duties, or engage in activities, that—
   (i) Will supplant the hiring of employed workers; or
   (ii) Are services, duties, or activities with respect to which an individual has recall rights pursuant to a collective bargaining agreement or applicable personnel procedures.

(6) A participant in any program receiving assistance under this chapter may not perform services or duties that have been performed by or were assigned to any—
   (i) Presently employed worker;
   (ii) Employee who recently resigned or was discharged;
   (iii) Employee who is subject to a reduction in force or who has recall rights pursuant to a collective bargaining agreement or applicable personnel procedures;

**Fundraising Restrictions**

(a) AmeriCorps members may raise resources directly in support of your program's service activities.

(b) Examples of fundraising activities AmeriCorps members may perform include, but are not limited to, the following:

1. Seeking donations of books from companies and individuals for a program in which volunteers teach children to read;

2. Writing a grant proposal to a foundation to secure resources to support the training of volunteers;

3. Securing supplies and equipment from the community to enable volunteers to help build houses for low-income individuals;

4. Securing financial resources from the community to assist in launching or expanding a program that provides social services to the members of the community and is delivered, in whole or in part, through the members of a community-based organization;

5. Seeking donations from alumni of the program for specific service projects being performed by current members.

(c) AmeriCorps members may not:

1. Raise funds for living allowances or for an organization's general (as opposed to project) operating expenses or endowment;

2. Write a grant application to the Corporation or to any other Federal agency.

An AmeriCorps member may spend no more than ten percent of his or her originally agreed-upon term of service, as reflected in the member enrollment in the National Service Trust, performing fundraising activities, as described in 45 C.F.R. § 2520.40.
