Youth Impact Award

Page description:

The Youth Impact Award honors an individual or group of youth (21 or under at the time of project completion) that have gone above and beyond to create tangible impact in their community. Nominations should highlight youth thoughtfully addressing a community challenge and taking sustainable action on needs that they see around them.

Eligibility:

- Nominations are required to be for projects that are youth-led/youth-driven (21 or under). Adults may be supports, but youth should have driven the action.
- Nominations must be made for the individual or group’s volunteer work (i.e., not for work completed as part of a paid internship).
- For the purposes of this award, electoral volunteering cannot be counted as service (i.e., volunteering for a candidate for political office). NYC Service as a division of the Mayor's Office is nonpartisan, and cannot accept nominations political in nature. However, **nonpartisan voter registration efforts and census outreach DO qualify**.
- The project must have taken place in New York City during the 2020 calendar year.

3. Describe the service project the youth(s) worked on, and how they took the lead on moving it forward. Please include details about how the project addressed a community need. (250 words max) *

4. Why is/was it important to young people to get involved in this project? Be specific. (250 words max) *

5. Describe the value of the knowledge and experiences the youth(s) gained from this project. (250 words max) *
